**FLEA MARKET PARKING** It's only 2 weeks until the Flea Market time and our church's big opportunity for bringing in needed funds. We still have spaces available at our usual BB&T and EXXON parking lots. This year we have an opportunity to have another location to park cars. This location is really in the middle of all the action and has proven to be a profitable location. I realize that we have not even got enough help signed up for our usual 2 spots, but this is a great opportunity to raise money at this new location. Our church is very active in providing various forms of outreach with this money. So we are stepping out in faith and will have this area open. Please consider giving a few hours of your time for this also other ministry groups may want to help. More info on the new location coming soon. There will be another sign up sheet for this area on the bulletin board. Thanks from Mission's!
